5. Crafted by Nani Marquina for **Design Within Reach**, the Tres Stripes Rug is a traditional Indian flat-weave floor covering that's hand-loomed in alternating parts. The wool and felt work together in each section to bring the pattern to life with interesting variations in tone and weave. dwr.com

6

6. Shelskii by **UrbanProduct** is a shallow walnut shelf unit that utilizes skis as coat hooks and includes handy magnets for keys. This eye-catching piece will add a touch of whimsy and personality to any office. urbanproduct.ca

7

7. The Z1 Black Bamboo PC pendant by **Global Lighting** has a handcrafted black bamboo frame sheathed in black, gray, or natural handmade paper. The upper and lower portions of the fixture are uncovered for a luminous effect while the woven shade reflects a textural glow. The fabric, made in a village in the Philippines, is tied to the frame by hand. globallighting.com

8

8. The Fragments Collection by **Calico Wallpaper** embodies earthy tones and timeless traces. A custom paint uses pigments and minerals extracted directly from Belgian Bluestone. A layered pattern is carefully melded with the stone's inherent colors to create a rich, contemplative aesthetic. calicowallpaper.com
