Boffi's Tomato+ elevates the window box to new heights. Using special seed pods, vegetables and herbs like spinach, parsley, and even radishes can be grown inside a built-in appliance at the touch of a button. A digital display controls temperature, humidity, and lighting to reproduce the effects of nature. Just add water. Price upon request. [boffi.com](http://boffi.com)

Brabantia's Touch Bin now comes in a 30-liter size that's slim enough for small spaces, and in a range of fizzy colors, including, from left, Daisy Yellow, Clay Pink, and Moss Green. The easy-to-clean interior plastic bucket has a carrying handle, and each bin costs \$91. [amazon.com](http://amazon.com)

Minneapolis, part of Baldwin's newest Evolved collection of more than 20 smart-lock handle sets and dead bolts, pairs modern looks with the latest technology. Offered in 18 finishes, it costs \$950. [baldwinhardware.com](http://baldwinhardware.com)

Alexa Hampton named her Sammezzano fireplace surround for Chesney's after the Moorish-style castle in Tuscany that inspired its design. Made of honed Carrara marble and featuring swirling florals and a multi-foil arch, it costs \$13,800. [chesneys.com](http://chesneys.com)

The FashionMaster ironing system by Miele distributes steam evenly, both from the iron and the board, which puffs up to protect delicates. Outfitted with a handheld steamer, foldable for compact storage, and on wheels, it costs \$2,500. [mielestore.com](http://mielestore.com)

Neolith's newest surfaces include, clockwise from top, Aspen Grey, inspired by the Colorado mountains; Zaha Stone, named after the late architect Zaha Hadid; and Blanco Carrara, modeled after the luxurious Italian marble. A range of thicknesses and finishes are offered. From \$14 per square foot. [neolith.com](http://neolith.com)

Target's new Project 62™ line of chic contemporary home decor includes a round planter made of aluminum with a polished brass finish for \$34.99. [Target.com](http://Target.com)

Stact's wine-storage system debuted in 2012 with its C-type Series, a modular wall-mounted rack that displays bottles cork-side-out, on pegs that can accommodate practically any shape or size vessel. The company's new L-type Series adapts the same panel design—offered in 12 finishes—to a network of hooks that allows oenophiles to show off prize vintages label-side-out (it even fits magnums). The best part? You can mix and match both styles. Each panel costs \$100 to \$120. [getstact.com](http://getstact.com)
